The Clubhouse

The Clubhouse is our premium dining and racing venue. Built with the ultimate of racing experiences in mind, this room features floor to ceiling windows, four levels of terraced dining and individual TV monitors at each table, to showcase live racing.

Our buffet is highlighted with a variety of seafood selections, a sensational salad bar, carving station and a steam table with a variety of specially prepared dishes to choose from. There are so many delectable desserts they need a table of their own! No matter what the occasion, the Clubhouse is a great place to celebrate. Whether there are two or two hundred in your party, we would be pleased to work with you to make your event memorable.

The Clubhouse is open on select live race days only. Due to the popularity of the Clubhouse, reservations are required in advance.

Please note our seating is terraced to provide the best possible viewing of the racetrack, if you or any of your guests have difficulty with stairs please let us know at the time of your booking so we can ensure the required seating plan is available for your group on your requested date.
