## The Homestretch

The Homestretch was designed with the horse owner and racing enthusiast in mind and has become a popular alternative to the Clubhouse.

The Homestretch features floor to ceiling windows and is terraced to ensure every table has a great view of the races. With 39 trackside tables of 6 and 55 terraced tables of 4 it makes a perfect location for a large gathering or a small get together with a couple of friends.

The Homestretch is also home to our 100-seat race book featuring individual monitors at each carrel. Located high above the Homestretch are 3 private boxes, 2 that will accommodate up to 8 guests and the 3rd box seating up to 16. These boxes can be reserved on live race days if a private event is what your group is looking for.

Celebrating a special event? We would be happy to help make your party memorable. The Homestretch features an exclusive buffet, enhanced with a variety of new and innovative dishes.

Please note our seating is terraced to provide the best possible viewing of the racetrack. If you or any of your guests have difficulty with stairs please let us know at the time of your booking so we can ensure the required seating plan is available for your group.
